Club Memorandum of Understanding – Rotaract Club of Nishita Degree college

Rotaract originally began as a Rotary International youth program in 1968 at Charlotte North Rotary Club in Charlotte, North Carolina, United States, and has grown into a major organization of over 10,904 clubs spread around the world and over 203,000 members in 189 countries. It is a service, leadership, professional and community service organization (often miscommunicated as a Social Service Club) for young men and women between the ages 18 and over.

Rotaract focuses on the development of young adults as leaders in their communities and workplaces. Clubs around the world also take part in international service projects, in a global effort to bring peace and international understanding to the world.

"Rotaract" stands for "Rotary in Action", although the name originally comes from a combination of "Rotary" and "Interact" (International + Action), the high school level program created by Rotary International in 1962.

Most Rotaract activities take place at the club level. Rotaract clubs hold formal meetings in person or virtually, usually every two weeks, which feature speakers, special outings, social activities, discussions or visits to other clubs. Club members get together on designated days for service project work, social events, or professional/leadership development workshops.

Apart from that our Club Sponsored the NISHITHA DEGREE COLLEGE as Rotaract Club in the year of 2011, since from 10 years the club members participating in Rotary program and serving the society & doing well for a cause.

Yours in Rotary
