- The students are punctual and have lateral thinking skills, Analytical skills, critical reasoning as well as good knowledge about industry.

Action taken:

1. The Principal calls the faculty personally and informs them about the feedback given by the students and asks the faculty to cope up with the required teaching – learning process.
2. The Management wants to introduce ICT tools in teaching, learning and problem solving aspects.
3. E- Material has been uploaded on our website.
4. We could not conduct Campus Recruitment Training program during 2020-21, due to pandemic. Presently, we are conducting CRT program for the interested students of Final year.
5. We have introduced Online teaching for all the courses, due to pandemic for the first time. Some of the students have faced the problems due to technical snags i.e. Wi-Fi connectivity and proper gadgets. Some of the students did not have awareness on online teaching – learning process.
6. The teachers are using PPTs and You Tube videos for enhancing the teaching learning experience.
7. The guest lectures/ seminars are arranged on Career Options.
8. The Orientation programs were conducted on Career guidance and the higher educational prospects.
9. The Bridge courses and Remedial classes were conducted for the slow learners.
10. Many competitions/programs were conducted through online.
11. More Faculty development programs were conducted.
12. The Virtual placements were conducted during the year, due to pandemic.
